- 1. Copyright:** The content in or attached to this e-mail is the property of Meshed 360 or has been licensed to Meshed 360 to utilise as per the applicable license. The addressee of this e-mail may read this e-mail and attachments (where applicable) and may only copy it for purposes of back up, compliance with retention legislation or where addressee acts as a conduit of this e-mail. Unless agreed to between the parties, the content and attachments of this e-mail may not be utilised for commercial purposes.
- 2. Confidentiality**
 - 2.1. The information contained in or attached to this e-mail may contain confidential and privileged information. It is solely for the use of the party to whom the sender intended to send the information ("intended recipient"). Unless specifically authorised by the sender, any distribution, copying or disclosure of this e-mail and its content is prohibited. If you have received this message in error, you should immediately notify the sender by reply e-mail, not open the attachments (if any) and delete this e-mail.
 - 2.2. Unless expressly agreed otherwise and in writing, any e-mail content or attachments you transmit to us by e-mail or otherwise will be treated as non-confidential and non-proprietary.
- 3. Data- & Privacy Protection**
 - 3.1. The e-mail address(es) used in this e-mail is/are used for the purpose of conveying this and related messages only. The e-mail address(es) may not be used for any other purpose, unless the parties to this e-mail have opted for such other use. The e-mail address(es) under this e-mail may not be used for any unsolicited communications or placed in a database, to be used by third parties, for purposes of unsolicited communications.
 - 3.2. Any personal information that is transmitted to us will be dealt with in accordance with our Privacy Policy.
- 4. Agreements Online:** Subject to contract law in general and unless confirmed by an authorised Meshed 360 representative, no agreement will be concluded by electronic communications.
- 5. Mobile Devices:** The use of mobile devices may make the reading of the entirety of this incoming e-mail, especially if it is a chain of e-mail correspondence, and its attachments, difficult, impractical or impossible. Accordingly, recipients of this e-mail, from Meshed 360, should allow for the fact that, where this e-mail has been sent from a mobile device, the sender may not have read and considered the entirety of this incoming e-mail and its attachments. Such recipients should consider seeking confirmation of any advice so given, before it is relied upon.
